The Honorable Harold Brown
The Secretary of Defense
Washington, D.C. 20301

Dear Harold:

I would like to express my appreciation for your quick response and views on the FY 1982 topics raised at the NFIB and PRC(I) meetings. As you know from my decision letters, I have presented a budget to the President for a substantial increase in our NFIP intelligence capabilities although a few trade-offs were necessary. 25X1

I believe that both the national and tactical programs should progress on an integrated basis to ensure that final system configurations and capabilities are suitable to both of our needs. Please call me or my staff if we can be of any assistance in supporting these program elements through the Office of Management and Budget, the President, and the Congress. 25X1

Yours,

/s/ Stansfield Turner
